BEAU SIA is a Tony Award winning poet and world-renowned performer, featured on all 6 seasons of Russell Simmons Presents Def Poetry and the winner of two National Poetry Slam championships.

Beau Sia has continued to be one of my biggest creative inspirations from the moment I first saw him blow the roof off the Theater in the Square, changing the course of my life. He's a fearlessly honest artist who knows exactly how infinitely huge and impossibly small he is at all times. Yes, his stage presence is bananas, but he always asks you how you're doing first.
-George Watsky, Writer and Performer

He is the author of the poetry books *A Night Without Armor II: The Revenge* and *The Undisputed Greatest Writer Of All Time*. As an educator, he has been mentoring youth for organizations such as Youthspeaks, Urban Word, and GetLit. Beau currently lives in Los Angeles, where he is working on his first solo play.

Beau Sia is the one-man Led Zeppelin of modern poetry. How can the no-shit, crazy truth of these fraught times be rendered like this in such a way as to make us dance to it??? His. Stuff. Is. Amazing!
-Jonathan Demme, Filmmaker, Director of *The Silence of The Lambs*
